

AS 2

Entry model of professional vacuum cleaners. It is a happy combination of power and manoeuvrability, sturdiness and lightness that makes this unit highly competitive. The use of the polypropylene and a new sound-dampening system, allows the vacuum cleaner to be even more silent. The 1000 watts industrial motor and its remarkable resistance allows the vacuum cleaner to be placed side by side, without any reserve, to the most sophisticated professional equipment. AS2 is provided with cable and accessory holders.

Energy efficiency class: B.

PRODUCT IDENTIFICATION

Type	Ref. No.	Pieces / pallet
AS 2	00-070-00GH	24

TECHNICAL DATA

Max power rating	W	1100	Vacuum	mbar	230
Rated power	W	1000	Sound level	dbA	62
Effective capacity	l	15	Power supply cable	m	10
Useful dust bag capacity	l	12	Weight (without accessories)	kg	4,6
Filtering surface	m ²	0,5	Dimensions	mm	390x340x290
Air flow rate	l/s	45			

STANDARD ACCESSORIES Ø 32
