

## Effective stain remover

Ready to use and effective stain remover that can be used on carpets, cushions, home textiles and car interiors. This powerful cleaner removes even the awkward red wine, tea, fruit, coffee, juice, oil, and other stains.

### Usage:

Spray on the stain a small amount of the cleaning agent and let it work 3-5 minutes, depending on the degree of soiling. Wipe the stain with a white lint-free and an absorbent sponge or cloth. Remove the stain outside to inward, do not rub, stain can spread! If necessary, repeat the treatment.

### Contains:

<5% anionic surfactants, phosfaattia, NTA, perfume, bleach, lemon, lime, denaturant.

## The Professional Division of Werner & Mertz...

was established in 1971 and is the pioneer in integrally sustainable high performing, cleaning and sanitizing products for professional sectors like Facility Care, Foodservice, Health Care, Lodging and Food Processing. tana PROFESSIONAL and green care PROFESSIONAL are the two European leading brands of the Professional Division. As a part of the family-owned Werner & Mertz Group, founded over 140 years ago, we feel very committed to the location in Mainz. Sustainability is not seen as a temporary trend but rather is tradition that the company lives every day. Right from the very beginning, the protection of natural resources, sustainability and preservation of biodiversity have always been our focus. This philosophy is not only incorporated in our products but it is also reflected in our EMAS-validated production sites in Mainz and Hallein and our headquarters in Mainz that has obtained the "LEED Platinum" award. Our highly trained, motivated and action-orientated professionals deliver solutions and services on site that exceed our customers' expectations.
