FILMOP INTERNATIONAL PRIMARY GOAL IS TO DESIGN
AND CREATE THE BEST CLEANING SYSTEMS IN THE FULL RESPECT
FOR THE ENVIRONMENT.

A world leader Italian company in the professional cleaning market

Filmop International was founded in the early 70s as a company specialized in the **design and production of manual cleaning equipment** for professional use.

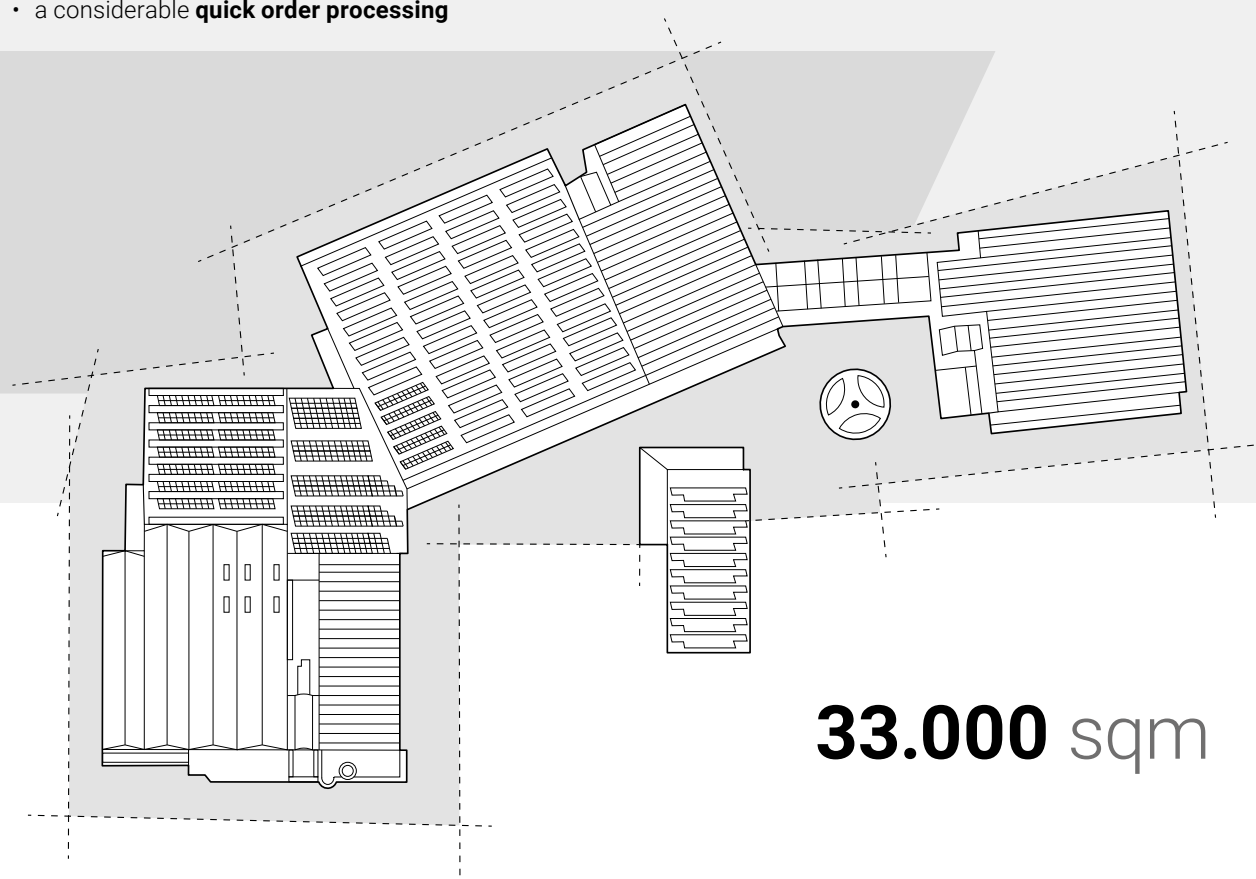

The **33,000-square-meter plant** located in northeastern Italy was joined by a **French distribution branch** in 1997 and an **American branch** in 2004, strengthening the company's presence in their respective markets.

Proud to spread "**Made in Italy**" around the world, today Filmop International **exports to more than 80 countries** with the utmost speed, reliability and efficiency.

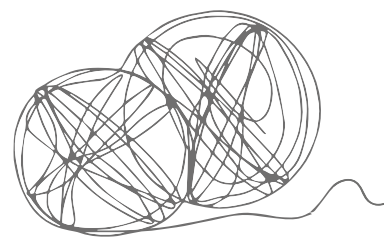

Mission

Filmop International has always been inspired by the following main principles, that are surely behind its growth and development:

- a strong push for **innovation** and **research**
- a constant **attention towards customer's satisfaction**
- unequalled **production flexibility**
- a considerable **quick order processing**

33.000 sqm

FILMOP INTERNATIONAL HAS DEVELOPED SKILLS TO
ACHIEVE HIGH BUSINESS AND PRODUCT STANDARDS

Alpha Hotel: comfortable and functional service trolley

Alpha Hotel trolleys have a plain and simple design to fit any environment.

Partially made of PSV - Second Life Plastic - certified plastic components, they are available in open versions or with closing doors for maximum safety.

The Alpha Hotel range features utmost care of all details and a specific design conceived to ensure practicality, efficiency and functionality.

Better functionality

The models with two storage units have a left opening door, for **convenience** and **practicality**.

Innovative closing mechanism to work safe

Organize your services and work better

The versions without central vertical frame ensure **high trolley capacity**, so that everything that may be needed for the job can be right at hand.

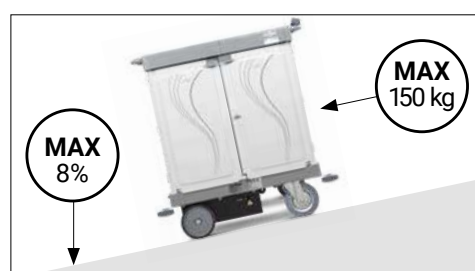

Alpha Hotel Drive

Alpha Hotel Drive Trolleys can be used to move loads of up to 150 kg on several types of floors with slopes up to 8%, **without any strain** for the operator. Equipped with a **removable key** to switch on the control console, the motor-driven versions are **easy to manoeuvre**, do not need to be pushed and provide **maximum safety**. Being **extremely quiet**, they do not cause disturbance, and are therefore ideal for cleaning and tidying activities inside welcoming establishments

Unhook the trolley and go

Thanks to **Link-Up**, the **new hook system** designed by Filmop, it will be possible to separate the bag holder compartment from the rest of the trolley with a simple click.

The **new independent waste collection unit** allows to move around more freely and comfortably during all waste or laundry disposal operations and to gain access easier to small and reduced areas, such as elevators, small hallways and laundries.

Baskets set for Alpha trolleys

The exclusive set of central trays for Alpha Hotel trolleys is an essential accessory to offer the **maximum convenience** and **safety**.

The practical set **doubles the storage capacity**, allowing you to further optimize your service trolley: it offers two open storage areas and two areas with **cover with locking key**, which can be organized according to your specific needs.

The set of central trays is characterized by a **well-finished design** in line with the **simple and elegant style** of the whole Alpha Hotel range of trolleys.
